

Dear parents of the class

Aarwangen School introduced parental involvement in the form of the Parents' Council in 1996. Every year at the parents' evening, you have the opportunity to be (re-)elected as a member of the parents' council.

Parents' Council - what is it?

The Parents' Council is a network for all parents who are interested in their children's school and would like to get involved. The Parents' Council serves as a platform for exchange and further education on the subject of school and parents. The Parents' Council represents parents and their concerns that are important for the whole school.

Parents get involved!

Parents are invited to participate.
